## IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 15, 2018

Mr. BUDD (for himself and Mr. LYNCH) introduced the following bill; which was referred to the Committee on Financial Services

---

## A BILL

To establish an Independent Financial Technology Task Force, to provide rewards for information leading to convictions related to terrorist use of digital currencies, to establish a FinTech Leadership in Innovation Program to encourage the development of tools and programs to combat terrorist and illicit use of digital currencies, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Financial Technology  
5 Protection Act”.

## **1 SEC. 2. SENSE OF CONGRESS.**

2 It is the sense of Congress that the Federal Govern-  
3 ment should prioritize the investigation of terrorist and  
4 illicit use of new financial technology, including digital  
5 currencies.

6 SEC. 3. INDEPENDENT FINANCIAL TECHNOLOGY TASK  
7 FORCE.

8           (a) ESTABLISHMENT.—There is established the Inde-  
9 pendent Financial Technology Task Force (the “Task  
10 Force”), which shall consist of—

11                   (1) the Secretary of the Treasury, who shall  
12 serve as the head of the Task Force;

13 (2) the Attorney General;

18 (5) the Director of the Secret Service;

(7) 6 individuals appointed by the Secretary of the Treasury to represent the private sector (including the banking industry, nonprofit groups, and think tanks), with at least 1 of such individuals having experience in the Fintech industry.

26 (b) DUTIES.—The Task Force shall—

1                             (1) conduct independent research on terrorist  
2                             and illicit use of new financial technologies, includ-  
3                             ing digital currencies; and

4                             (2) develop legislative and regulatory proposals  
5                             to improve counter-terrorist and counter-illicit fi-  
6                             nancing efforts.

7                             (c) ANNUAL CONGRESSIONAL REPORT.—Not later  
8                             than 1 year after the date of the enactment of this Act,  
9                             and annually thereafter, the Task Force shall issue a re-  
10                             port to the Congress containing the findings and deter-  
11                             minations made by the Task Force in the previous year  
12                             and any legislative and regulatory proposals developed by  
13                             the Task Force.

14                             **SEC. 4. REWARDS FOR INFORMATION RELATED TO TER-**  
15                                     **RORIST USE OF DIGITAL CURRENCIES.**

16                             (a) IN GENERAL.—The Secretary of the Treasury, in  
17                             consultation with the Attorney General, shall establish a  
18                             fund to pay a reward, not to exceed \$450,000, to any per-  
19                             son who provides information leading to the conviction of  
20                             an individual involved with terrorist use of digital cur-  
21                             rencies.

22                             (b) USE OF FINES AND FORFEITURES.—With re-  
23                             spect to fines and forfeitures related to the conviction of  
24                             an individual involved with terrorist use of digital cur-

1   encies, the Secretary of the Treasury shall, without fur-  
2   ther appropriation or fiscal year limitation—

3                 (1) use such amounts to pay rewards under this  
4                 section related to such conviction; and

5                 (2) with respect to any such amounts remaining  
6                 after payments are made under paragraphs (1) and  
7                 (2), deposit such amounts in the FinTech Leader-  
8                 ship in Innovation Program.

9   **SEC. 5. FINTECH LEADERSHIP IN INNOVATION PROGRAM.**

10               (a) ESTABLISHMENT.—There is established a pro-  
11                 gram to be known as the “FinTech Leadership in Innova-  
12                 tion Program”, which shall be funded as provided under  
13                 section 4(b)(2).

14               (b) INNOVATION GRANTS.—

15               (1) IN GENERAL.—The Secretary of the Treas-  
16                 ury shall make grants for the development of tools  
17                 and programs to detect terrorist and illicit use of  
18                 digital currencies.

19               (2) ELIGIBLE RECIPIENTS.—The Secretary may  
20                 make grants under this subsection to entities located  
21                 in the United States, including academic institu-  
22                 tions, companies, nonprofit institutions, individuals,  
23                 and any other entities locating in the United States  
24                 that the Secretary determines appropriate.

1                             (3) ELIGIBLE PROJECTS.—With respect to tools  
2                             and programs described under paragraph (1), in ad-  
3                             dition to grants for the development of such tools  
4                             and programs, the Secretary may make grants  
5                             under this subsection to carry out pilot programs  
6                             using such tools, the development of test cases using  
7                             such tools, and research related to such tools.

8                             (4) PREFERENCES.—In making grants under  
9                             this subsection, the Secretary shall give preference  
10                             to—

11                             (A) technology that is nonproprietary or  
12                             that is community commons-based;

13                             (B) computer code that is developed and  
14                             released on an open source basis;

15                             (C) tools that are proactive (such as meet-  
16                             ing regulatory requirements under “know your  
17                             customer” and anti-money laundering require-  
18                             ments for any entity that has to comply with  
19                             U.S. Government regulations) vs. reactive (such  
20                             as aiding law enforcement organizations in  
21                             catching illegal activity after the fact); and

22                             (D) tools and incentives that are on decen-  
23                             tralized platforms.

24                             (5) OTHER REQUIREMENTS.—

(A) USE OF EXISTING GLOBAL STANDARDS.—Any new technology developed with a grant made under this subsection shall be based on existing global standards, such as those developed by the Internet Engineering Task Force (IETF) and the World Wide Web Consortium (W3C).

## 22 SEC. 6. DEFINITIONS.

23 For purposes of this Act:

(B) chapter 2 of title I of Public Law 91-508; and

(C) subchapter II of chapter 53 of title 31,  
United States Code.

(2) DIGITAL CURRENCY.—The term “digital currency”—

9 (A) means a digital representation of value  
10 that

16 (B) does not include—

17 (i) a transaction in which a merchant  
18 grants, as part of an affinity or rewards  
19 program, value that cannot be taken from  
20 or exchanged with the merchant for legal  
21 tender, bank credit, or digital currency; or

1                   same publisher or offered on the same  
2                   game platform.

3                   (3) TERRORIST.—The term “terrorist” includes  
4                   a person carrying out domestic terrorism or inter-  
5                   national terrorism (as such terms are defined, re-  
6                   spectively, under section 2331 of title 18, United  
7                   States Code).
