Item 2.05 Costs Associated with Exit or Disposal Activities.

LendingClub Corporation (the “*Company*”) operates America’s largest online lending marketplace, offering investors access to consumer credit at competitive risk adjusted returns, while offering borrowers savings in support of their financial health through lower cost loans and a seamless online process.

COVID-19 is having an unprecedented effect on consumers, small businesses and the broader economy, including the credit markets, and has resulted in a current reduction in platform investor demand for personal loans. In response, the Company has undertaken a number of initiatives to support its borrowers, protect investor returns, and preserve capital and liquidity. These initiatives better position the Company to navigate and serve members through today’s economic environment and over the longer-term as the need for the Company’s services grows.

On April 20, 2020, the Company’s Board of Directors (the “*Board*”) approved a restructuring plan (the “*Plan*”) to further address the impact of COVID-19 on the Company’s business by repositioning the Company’s expense base to better reflect current loan volume and better position the Company for profitability to achieve its strategic goals when the economy and business stabilizes. The Plan includes workforce reductions affecting approximately 460 employees.

In connection with the workforce reductions under the Plan, the Company expects to incur total pre-tax restructuring and related charges of approximately \$10 million during the remainder of the year ending December 31, 2020, of which approximately \$1 million represents an employee relief plan to assist impacted employees through this challenging time and the remainder represents future cash expenditures for the payment of severance and related benefits costs.

Safe Harbor Statement

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Steven Allocca Departure

On April 20, 2020, as part of the Plan, the Board determined to terminate the position held by Steven Allocca, and accordingly his final day of employment with the Company will be May 12, 2020. In connection with his departure and subject to the execution of a release of claims against the Company, Mr. Allocca is entitled to severance

payments as set forth in his employment agreement and as detailed in the Company's most recent proxy statement filed with the Securities and Exchange Commission on April 14, 2020.

Officer and Director Compensation Reductions

The Company has instituted temporary salary reductions in connection with the Plan, and accordingly the Company's continuing named executive officers have each signed an agreement: (i) agreeing to a temporary 25% reduction (or 30% with respect to the Company's CEO, Scott Sanborn) in base salary, and (ii) acknowledging that the salary reduction does not constitute "good reason" under their respective employment agreement with the Company (the "**Letter Agreement**").

The foregoing description of the Letter Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Letter Agreement, the form of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Additionally, on April 20, 2020, the Board voluntarily reduced the base cash retainer non-employee directors receive for serving on the Board in 2020 by 30%.
