CALIFORNIA LEGISLATURE— 2019–2020 REGULAR SESSION

ASSEMBLY BILL**NO. 2150****Introduced by Assembly Member Calderon**

February 10, 2020

An act to amend Section ~~2003 of the Financial Code, relating to money transmission.~~ *25019 of the Corporations Code, relating to corporate securities.*

LEGISLATIVE COUNSEL'S DIGEST

AB 2150, as amended, Calderon. ~~Money transmission: Virtual currency. Corporate securities: exception: digital assets.~~

Existing law, the Corporate Securities Law of 1968, provides for the regulation of the issuance of corporate securities, requires the qualification of an offer or sale of securities, and provides for exemptions from qualification with the Commissioner of Business Oversight. Existing law defines a “security” to mean a note, stock, and, among other things, an investment contract.

This bill would create an exception from the above definition by providing that a digital asset meeting specified criteria is presumptively not an investment contract within the meaning of a “security.” The bill would allow that presumption to be rebutted upon good cause shown by clear and convincing evidence by the Commissioner of Business Oversight, as specified.

~~The Money Transmission Act generally prohibits a person from engaging in the business of money transmission, as defined, without a license from the Commissioner of Business Oversight. The act makes it a felony to knowingly engage in an activity for which a license is required under the act without being licensed or exempt from licensure.~~

~~This bill would provide that issuing, transferring, or storing a virtual currency, as defined, on behalf of a consumer is money transmission. By expanding the scope of the crime of engaging in the business of money transmission without a license, this bill would create a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~
