120 Management Service.

121 Section 3. Section 282.0041, Florida Statutes, is amended

122 to read:

123 282.0041 Definitions.—As used in this chapter, the term:

124 (1) "Agency assessment" means the amount each customer

125 entity must pay annually for services from the Department of

ENROLLED

CS/CS/CS/HB 1391, Engrossed 1

2020 Legislature

126 Management Services and includes administrative and data center
127 services costs.

128 (2) "Agency data center" means agency space containing 10
129 or more physical or logical servers.

130 (3) "Breach" has the same meaning as provided in s.
131 501.171.

132 (4) "Business continuity plan" means a collection of
133 procedures and information designed to keep an agency's critical
134 operations running during a period of displacement or
135 interruption of normal operations.

136 (5) "Cloud computing" has the same meaning as provided in
137 Special Publication 800-145 issued by the National Institute of
138 Standards and Technology.

139 (6) "Computing facility" or "agency computing facility"
140 means agency space containing fewer than a total of 10 physical
141 or logical servers, but excluding single, logical-server
142 installations that exclusively perform a utility function such
143 as file and print servers.

144 (7) "Customer entity" means an entity that obtains
145 services from the Department of Management Services.

146 (8) "Data" means a subset of structured information in a
147 format that allows such information to be electronically
148 retrieved and transmitted.

149 (9) "Data governance" means the practice of organizing,
150 classifying, securing, and implementing policies, procedures,

ENROLLED

151 and standards for the effective use of an organization's data.

152 (10) "Department" means the Department of Management
153 Services.

154 (11) (10) "Disaster recovery" means the process, policies,
155 procedures, and infrastructure related to preparing for and
156 implementing recovery or continuation of an agency's vital
157 technology infrastructure after a natural or human-induced
158 disaster.

159 (12) "Electronic" means technology having electrical,
160 digital, magnetic, wireless, optical, electromagnetic, or
161 similar capabilities.

162 (13) "Electronic credential" means an electronic
163 representation of the identity of a person, an organization, an
164 application, or a device.

165 (14) "Enterprise" means state agencies and the Department
166 of Legal Affairs, the Department of Financial Services, and the
167 Department of Agriculture and Consumer Services.

168 (15) "Enterprise architecture" means a comprehensive
169 operational framework that contemplates the needs and assets of
170 the enterprise to support interoperability.

171 (16) (11) "Enterprise information technology service" means
172 an information technology service that is used in all agencies
173 or a subset of agencies and is established in law to be
174 designed, delivered, and managed at the enterprise level.

175 (17) (12) "Event" means an observable occurrence in a

176 system or network.

177 (18)~~(13)~~ "Incident" means a violation or imminent threat
178 of violation, whether such violation is accidental or
179 deliberate, of information technology resources, security,
180 policies, or practices. An imminent threat of violation refers
181 to a situation in which the state agency has a factual basis for
182 believing that a specific incident is about to occur.183 (19)~~(14)~~ "Information technology" means equipment,
184 hardware, software, firmware, programs, systems, networks,
185 infrastructure, media, and related material used to
186 automatically, electronically, and wirelessly collect, receive,
187 access, transmit, display, store, record, retrieve, analyze,
188 evaluate, process, classify, manipulate, manage, assimilate,
189 control, communicate, exchange, convert, converge, interface,
190 switch, or disseminate information of any kind or form.191 (20)~~(15)~~ "Information technology policy" means a definite
192 course or method of action selected from among one or more
193 alternatives that guide and determine present and future
194 decisions.195 (21)~~(16)~~ "Information technology resources" has the same
196 meaning as provided in s. 119.011.197 (22)~~(17)~~ "Information technology security" means the
198 protection afforded to an automated information system in order
199 to attain the applicable objectives of preserving the integrity,
200 availability, and confidentiality of data, information, and

201 information technology resources.

202 (23) "Interoperability" means the technical ability to
203 share and use data across and throughout the enterprise.

204 (24) ~~(18)~~ "Open data" means data collected or created by a
205 state agency, the Department of Legal Affairs, the Department of
206 Financial Services, and the Department of Agriculture and
207 Consumer Services, and structured in a way that enables the data
208 to be fully discoverable and usable by the public. The term does
209 not include data that are restricted from public disclosure
210 distribution based on federal or state ~~privacy, confidentiality,~~
211 ~~and security~~ laws and regulations, including, but not limited
212 to, those related to privacy, confidentiality, security,
213 personal health, business or trade secret information, and
214 exemptions from state public records laws; or data for which a
215 state agency, the Department of Legal Affairs, the Department of
216 Financial Services, or the Department of Agriculture and
217 Consumer Services is statutorily authorized to assess a fee for
218 its distribution.

219 (25) ~~(19)~~ "Performance metrics" means the measures of an
220 organization's activities and performance.

221 (26) ~~(20)~~ "Project" means an endeavor that has a defined
222 start and end point; is undertaken to create or modify a unique
223 product, service, or result; and has specific objectives that,
224 when attained, signify completion.

225 (27) ~~(21)~~ "Project oversight" means an independent review

226 and analysis of an information technology project that provides
227 information on the project's scope, completion timeframes, and
228 budget and that identifies and quantifies issues or risks
229 affecting the successful and timely completion of the project.

230 (28)+(22) "Risk assessment" means the process of
231 identifying security risks, determining their magnitude, and
232 identifying areas needing safeguards.

233 (29)+(23) "Service level" means the key performance
234 indicators (KPI) of an organization or service which must be
235 regularly performed, monitored, and achieved.

236 (30)+(24) "Service-level agreement" means a written
237 contract between the Department of Management Services and a
238 customer entity which specifies the scope of services provided,
239 service level, the duration of the agreement, the responsible
240 parties, and service costs. A service-level agreement is not a
241 rule pursuant to chapter 120.

242 (31)+(25) "Stakeholder" means a person, group,
243 organization, or state agency involved in or affected by a
244 course of action.

245 (32)+(26) "Standards" means required practices, controls,
246 components, or configurations established by an authority.

247 (33)+(27) "State agency" means any official, officer,
248 commission, board, authority, council, committee, or department
249 of the executive branch of state government; the Justice
250 Administrative Commission; and the Public Service Commission.

251 The term does not include university boards of trustees or state
252 universities. As used in part I of this chapter, except as
253 otherwise specifically provided, the term does not include the
254 Department of Legal Affairs, the Department of Agriculture and
255 Consumer Services, or the Department of Financial Services.

256 (34) (28) "SUNCOM Network" means the state enterprise
257 telecommunications system that provides all methods of
258 electronic or optical telecommunications beyond a single
259 building or contiguous building complex and used by entities
260 authorized as network users under this part.

261 (35) (29) "Telecommunications" means the science and
262 technology of communication at a distance, including electronic
263 systems used in the transmission or reception of information.

264 (36) (30) "Threat" means any circumstance or event that has
265 the potential to adversely impact a state agency's operations or
266 assets through an information system via unauthorized access,
267 destruction, disclosure, or modification of information or
268 denial of service.

269 (37) (31) "Variance" means a calculated value that
270 illustrates how far positive or negative a projection has
271 deviated when measured against documented estimates within a
272 project plan.

276 Digital Service; powers, duties, and functions.—

277 (1) The Florida Digital Service has been created within
278 the department to propose innovative solutions that securely
279 modernize state government, including technology and information
280 services, to achieve value through digital transformation and
281 interoperability, and to fully support the cloud-first policy as
282 specified in s. 282.206. The department, through the Florida
283 Digital Service, shall have the following powers, duties, and
284 functions:

285 (a) ~~(1)~~ Develop and publish information technology policy
286 for the management of the state's information technology
287 resources.

288 (b) ~~(2)~~ Develop an enterprise architecture that:

289 1. Acknowledges the unique needs of the entities within
290 the enterprise in the development and publication of standards
291 and terminologies to facilitate digital interoperability;

292 2. Supports the cloud-first policy as specified in s.
293 282.206; and

294 3. Addresses how information technology infrastructure may
295 be modernized to achieve cloud-first objectives ~~Establish and~~
296 publish information technology architecture standards to provide
297 for the most efficient use of the state's information technology
298 resources and to ensure compatibility and alignment with the
299 needs of state agencies. The department shall assist state
300 agencies in complying with the standards.

301 (c)-(3) Establish project management and oversight
302 standards with which state agencies must comply when
303 implementing information technology projects. The department,
304 acting through the Florida Digital Service, shall provide
305 training opportunities to state agencies to assist in the
306 adoption of the project management and oversight standards. To
307 support data-driven decisionmaking, the standards must include,
308 but are not limited to:

309 1.(a) Performance measurements and metrics that
310 objectively reflect the status of an information technology
311 project based on a defined and documented project scope, cost,
312 and schedule.

313 2.(b) Methodologies for calculating acceptable variances
314 in the projected versus actual scope, schedule, or cost of an
315 information technology project.

316 3.(c) Reporting requirements, including requirements
317 designed to alert all defined stakeholders that an information
318 technology project has exceeded acceptable variances defined and
319 documented in a project plan.

320 4.(d) Content, format, and frequency of project updates.

321 (d)-(4) Perform project oversight on all state agency
322 information technology projects that have total project costs of
323 \$10 million or more and that are funded in the General
324 Appropriations Act or any other law. The department, acting
325 through the Florida Digital Service, shall report at least

326 quarterly to the Executive Office of the Governor, the President
327 of the Senate, and the Speaker of the House of Representatives
328 on any information technology project that the department
329 identifies as high-risk due to the project exceeding acceptable
330 variance ranges defined and documented in a project plan. The
331 report must include a risk assessment, including fiscal risks,
332 associated with proceeding to the next stage of the project, and
333 a recommendation for corrective actions required, including
334 suspension or termination of the project.

335 (e) (5) Identify opportunities for standardization and
336 consolidation of information technology services that support
337 interoperability and the cloud-first policy, as specified in s.
338 282.206, and business functions and operations, including
339 administrative functions such as purchasing, accounting and
340 reporting, cash management, and personnel, and that are common
341 across state agencies. The department, acting through the
342 Florida Digital Service, shall biennially on January 1 of each
343 even-numbered year April provide recommendations for
344 standardization and consolidation to the Executive Office of the
345 Governor, the President of the Senate, and the Speaker of the
346 House of Representatives.

347 (f) (6) Establish best practices for the procurement of
348 information technology products and cloud-computing services in
349 order to reduce costs, increase the quality of data center

351 (g)~~(7)~~ Develop standards for information technology
352 reports and updates, including, but not limited to, operational
353 work plans, project spend plans, and project status reports, for
354 use by state agencies.

355 (h)~~(8)~~ Upon request, assist state agencies in the
356 development of information technology-related legislative budget
357 requests.

358 (i)~~(9)~~ Conduct annual assessments of state agencies to
359 determine compliance with all information technology standards
360 and guidelines developed and published by the department and
361 provide results of the assessments to the Executive Office of
362 the Governor, the President of the Senate, and the Speaker of

380 mechanism may be implemented only if specifically authorized by
381 the Legislature.

382 3.(e) Developing and implementing appropriate operating
383 guidelines and procedures necessary for the state data center to
384 perform its duties pursuant to s. 282.201. The guidelines and
385 procedures must comply with applicable state and federal laws,
386 regulations, and policies and conform to generally accepted
387 governmental accounting and auditing standards. The guidelines
388 and procedures must include, but need not be limited to:

389 a.1. Implementing a consolidated administrative support
390 structure responsible for providing financial management,
391 procurement, transactions involving real or personal property,
392 human resources, and operational support.

393 b.2. Implementing an annual reconciliation process to
394 ensure that each customer entity is paying for the full direct
395 and indirect cost of each service as determined by the customer
396 entity's use of each service.

397 c.3. Providing rebates that may be credited against future
398 billings to customer entities when revenues exceed costs.

404 the type or level of service provided, if such change results in
405 a net increase to the customer entity's cost for that fiscal
406 year.

407 e.5. By November 15 of each year, providing to the Office
408 of Policy and Budget in the Executive Office of the Governor and
409 to the chairs of the legislative appropriations committees the
410 projected costs of providing data center services for the
411 following fiscal year.

412 f.6. Providing a plan for consideration by the Legislative
413 Budget Commission if the cost of a service is increased for a
414 reason other than a customer entity's request made pursuant to
415 sub subparagraph d. subparagraph 4. Such a plan is required only
416 if the service cost increase results in a net increase to a
417 customer entity for that fiscal year.

418 g.7. Standardizing and consolidating procurement and
419 contracting practices.

420 4.(d) In collaboration with the Department of Law
421 Enforcement, developing and implementing a process for
422 detecting, reporting, and responding to information technology
423 security incidents, breaches, and threats.

934 9. Section 560.142(1) and (2), except that the office may
935 prorate, but may not entirely eliminate, the license renewal
936 fees in s. 560.143 for an extension granted under subsection
937 (7).

938 10. Section 560.143(2), only to the extent necessary for
939 proration of the renewal fee under subparagraph 9.

940 11. Section 560.204(1), only to the extent that subsection
941 would prohibit a licensee from engaging in, or advertising that
942 it engages in, the selling or issuing of payment instruments or
943 in the activity of a money transmitter during the sandbox
944 period.

945 12. Section 560.205(2).

946 13. Section 560.208(2).

947 14. Section 560.209, only to the extent that the office
948 may modify, but may not entirely eliminate, the net worth,
949 corporate surety bond, and collateral deposit amounts required
950 under that section. The modified amounts must be in such lower

951 amounts that the office determines to be commensurate with the
952 factors under paragraph (5)(c) and the maximum number of
953 consumers authorized to receive the financial product or service
954 under this section.

955 (b) The office may approve a Financial Technology Sandbox
956 application if one or more of the general laws enumerated in
957 paragraph (a) currently prevent the innovative financial product
958 or service from being made available to consumers and if all
959 other requirements of this section are met.

960 (c) A licensee may conduct business through electronic
961 means, including through the Internet or a software application.

962 (5) FINANCIAL TECHNOLOGY SANDBOX APPLICATION; STANDARDS
963 FOR APPROVAL.—

964 (a) Before filing an application for licensure under this
965 section, a substantially affected person may seek a declaratory
966 statement pursuant to s. 120.565 regarding the applicability of
967 a statute, a rule, or an agency order to the petitioner's
968 particular set of circumstances or a variance or waiver of a
969 rule pursuant to s. 120.542.

970 (b) Before making an innovative financial product or
971 service available to consumers in the Financial Technology
972 Sandbox, a business entity must file with the office an
973 application for licensure under the Financial Technology
974 Sandbox. The commission shall, by rule, prescribe the form and
975 manner of the application and how the office will evaluate and

976 apply each of the factors specified in paragraph (c).

977 1. The application must specify each general law
978 enumerated in paragraph (4) (a) which currently prevents the
979 innovative financial product or service from being made
980 available to consumers and the reasons why those provisions of
981 general law prevent the innovative financial product or service
982 from being made available to consumers.

983 2. The application must contain sufficient information for
984 the office to evaluate the factors specified in paragraph (c).

985 3. An application submitted on behalf of a business entity
986 must include evidence that the business entity has authorized
987 the person to submit the application on behalf of the business
988 entity intending to make an innovative financial product or
989 service available to consumers.

990 4. The application must specify the maximum number of
991 consumers, which may not exceed the number of consumers
992 specified in paragraph (f), to whom the applicant proposes to
993 provide the innovative financial product or service.

994 5. The application must include a proposed draft of the
995 statement or statements meeting the requirements of paragraph
996 (6) (b) which the applicant proposes to provide to consumers.

997 (c) The office shall approve or deny in writing a
998 Financial Technology Sandbox application within 60 days after
999 receiving the completed application. The office and the
1000 applicant may jointly agree to extend the time beyond 60 days.

1001 Consistent with this section, the office may impose conditions
1002 on any approval. In deciding whether to approve or deny an
1003 application for licensure, the office must consider each of the
1004 following:

1005 1. The nature of the innovative financial product or
1006 service proposed to be made available to consumers in the
1007 Financial Technology Sandbox, including all relevant technical
1008 details.

1009 2. The potential risk to consumers and the methods that
1010 will be used to protect consumers and resolve complaints during
1011 the sandbox period.

1012 3. The business plan proposed by the applicant, including
1013 company information, market analysis, and financial projections
1014 or pro forma financial statements, and evidence of the financial
1015 viability of the applicant.

1016 4. Whether the applicant has the necessary personnel,
1017 adequate financial and technical expertise, and a sufficient
1018 plan to test, monitor, and assess the innovative financial
1019 product or service.

1020 5. Whether any control person of the applicant, regardless
1021 of adjudication, has pled no contest to, has been convicted or
1022 found guilty of, or is currently under investigation for fraud,
1023 a state or federal securities violation, a property-based
1024 offense, or a crime involving moral turpitude or dishonest
1025 dealing, in which case the application to the Financial

1026 Technology Sandbox must be denied.

1027 6. A copy of the disclosures that will be provided to
1028 consumers under paragraph (6)(b).

1029 7. The financial responsibility of the applicant and any
1030 control person, including whether the applicant or any control
1031 person has a history of unpaid liens, unpaid judgments, or other
1032 general history of nonpayment of legal debts, including, but not
1033 limited to, having been the subject of a petition for bankruptcy
1034 under the United States Bankruptcy Code within the past 7
1035 calendar years.

1036 8. Any other factor that the office determines to be
1037 relevant.

1038 (d) The office may not approve an application if:

1039 1. The applicant had a prior Financial Technology Sandbox
1040 application that was approved and that related to a
1041 substantially similar financial product or service;

1042 2. Any control person of the applicant was substantially
1043 involved in the development, operation, or management with
1044 another Financial Technology Sandbox applicant whose application
1045 was approved and whose application related to a substantially
1046 similar financial product or service; or

1047 3. The applicant or any control person has failed to
1048 affirmatively demonstrate financial responsibility.

1049 (e) Upon approval of an application, the office shall
1050 notify the licensee that the licensee is exempt from the

provisions of general law enumerated in paragraph (4) (a) and the corresponding rule requirements during the sandbox period. The office shall post on its website notice of the approval of the application, a summary of the innovative financial product or service, and the contact information of the licensee.

(f) The office, on a case-by-case basis, shall specify the maximum number of consumers authorized to receive an innovative financial product or service, after consultation with the Financial Technology Sandbox applicant. The office may not authorize more than 15,000 consumers to receive the financial product or service until the licensee has filed the first report required under subsection (8). After the filing of that report, if the licensee demonstrates adequate financial capitalization, risk management processes, and management oversight, the office may authorize up to 25,000 consumers to receive the financial product or service.

(g) A licensee has a continuing obligation to promptly inform the office of any material change to the information provided under paragraph (b).

(6) OPERATION OF THE FINANCIAL TECHNOLOGY SANDBOX.—

(a) A licensee may make an innovative financial product or service available to consumers during the sandbox period.

(b) 1. Before a consumer purchases, uses, receives, or enters into an agreement to purchase, use, or receive an innovative financial product or service through the Financial

1077 statement of all of the following to the consumer:

1078 a. The name and contact information of the licensee.

1079 b. That the financial product or service has been
1080 authorized to be made available to consumers for a temporary
1081 period by the office, under the laws of this state.

1082 c. That the state does not endorse the financial product
1083 or service.

1084 d. That the financial product or service is undergoing
1085 testing, may not function as intended, and may entail financial
1086 risk.

1087 e. That the licensee is not immune from civil liability
1088 for any losses or damages caused by the financial product or
1089 service.

1090 f. The expected end date of the sandbox period.

1091 g. The contact information for the office and notification
1092 that suspected legal violations, complaints, or other comments
1093 related to the financial product or service may be submitted to
1094 the office.

1095 h. Any other statements or disclosures required by rule of
1096 the commission which are necessary to further the purposes of
1097 this section.

1098 2. The written statement under subparagraph 1. must
1099 contain an acknowledgment from the consumer, which must be
1100 retained for the duration of the sandbox period by the licensee.

1103 the Financial Technology Sandbox to make their products or
1104 services available in other jurisdictions. The commission shall
1105 adopt rules to implement this paragraph.

1106 (d) The office may examine the records of a licensee at
1107 any time, with or without prior notice.

1108 (7) EXTENSION AND CONCLUSION OF SANDBOX PERIOD.—

1109 (a) A licensee may apply for one extension of the initial
1110 24-month sandbox period for 12 additional months for a purpose
1111 specified in subparagraph (b)1. or subparagraph (b)2. A complete
1112 application for an extension must be filed with the office at
1113 least 90 days before the conclusion of the initial sandbox
1114 period. The office shall approve or deny the application for
1115 extension in writing at least 35 days before the conclusion of
1116 the initial sandbox period. In determining whether to approve or
1117 deny an application for extension of the sandbox period, the
1118 office must, at a minimum, consider the current status of the
1119 factors previously considered under paragraph (5)(c).

1120 (b) An application for an extension under paragraph (a)
1121 must cite one of the following reasons as the basis for the
1122 application and must provide all relevant supporting
1123 information:

1124 1. Amendments to general law or rules are necessary to

1130 pending.1131 (c) At least 30 days before the conclusion of the initial
1132 24-month sandbox period or the extension, whichever is later, a
1133 licensee shall provide written notification to consumers
1134 regarding the conclusion of the initial sandbox period or the
1135 extension and may not make the financial product or service
1136 available to any new consumers after the conclusion of the
1137 initial sandbox period or the extension, whichever is later,
1138 until legal authority outside of the Financial Technology
1139 Sandbox exists for the licensee to make the financial product or
1140 service available to consumers. After the conclusion of the
1141 sandbox period or the extension, whichever is later, the
1142 business entity formerly licensed under the Financial Technology
1143 Sandbox may:1144 1. Collect and receive money owed to the business entity
1145 or pay money owed by the business entity, based on agreements
1146 with consumers made before the conclusion of the sandbox period
1147 or the extension.1148 2. Take necessary legal action.1149 3. Take other actions authorized by commission rule which
1150 are not inconsistent with this section.

1151 (8) REPORT.—A licensee shall submit a report to the office
1152 twice a year as prescribed by commission rule. The report must,
1153 at a minimum, include financial reports and the number of
1154 consumers who have received the financial product or service.

1155 (9) CONSTRUCTION.—A business entity whose Financial
1156 Technology Sandbox application is approved under this section:

1157 (a) Is licensed under chapter 516, chapter 560, or both
1158 chapters 516 and 560, as applicable to the business entity's
1159 activities.

1160 (b) Is subject to any provision of chapter 516 or chapter
1161 560 not specifically excepted under paragraph (4)(a), as
1162 applicable to the business entity's activities, and must comply
1163 with such provisions.

1164 (c) May not engage in activities authorized under part III
1165 of chapter 560, notwithstanding s. 560.204(2).

1166 (10) VIOLATIONS AND PENALTIES.—

1167 (a) A licensee who makes an innovative financial product
1168 or service available to consumers in the Financial Technology
1169 Sandbox remains subject to:

1170 1. Civil damages for acts and omissions arising from or
1171 related to any innovative financial product or services provided
1172 or made available by the licensee or relating to this section.

1173 2. All criminal and consumer protection laws and any other
1174 statute not specifically excepted under paragraph (4)(a).

1176 licensee's approval to participate in the Financial Technology
1177 Sandbox if:
1178 a. The licensee has violated or refused to comply with
1179 this section, any statute not specifically excepted under
1180 paragraph (4)(a), a rule of the commission that has not been
1181 waived, an order of the office, or a condition placed by the
1182 office on the approval of the licensee's Financial Technology
1183 Sandbox application;
1184 b. A fact or condition exists that, if it had existed or
1185 become known at the time that the Financial Technology Sandbox
1186 application was pending, would have warranted denial of the
1187 application or the imposition of material conditions;
1188 c. A material error, false statement, misrepresentation,
1189 or material omission was made in the Financial Technology
1190 Sandbox application; or
1191 d. After consultation with the licensee, the office
1192 determines that continued testing of the innovative financial
1193 product or service would:
1194 (I) Be likely to harm consumers; or
1195 (II) No longer serve the purposes of this section because
1196 of the financial or operational failure of the financial product
1197 or service.
1198 2. Written notice of a revocation or suspension order made
1199 under subparagraph 1. must be served using any means authorized
1200 by law. If the notice relates to a suspension, the notice must

1201 include any condition or remedial action that the licensee must
1202 complete before the office lifts the suspension.

1203 (c) The office may refer any suspected violation of law to
1204 an appropriate state or federal agency for investigation,
1205 prosecution, civil penalties, and other appropriate enforcement
1206 action.

1207 (d) If service of process on a licensee is not feasible,
1208 service on the office is deemed service on the licensee.

1209 (11) RULES AND ORDERS.-

1210 (a) The commission shall adopt rules to administer this
1211 section before approving any application under this section.

1212 (b) The office may issue all necessary orders to enforce
1213 this section and may enforce these orders in accordance with
1214 chapter 120 or in any court of competent jurisdiction. These
1215 orders include, but are not limited to, orders for payment of
1216 restitution for harm suffered by consumers as a result of an
1217 innovative financial product or service.

1218 Section 13. For the 2020-2021 fiscal year, the sum of
1219 \$50,000 in nonrecurring funds is appropriated from the
1220 Administrative Trust Fund to the Office of Financial Regulation
1221 to implement s. 559.952, Florida Statutes, as created by this
